

**Excellent Career
Opportunity**

**CPA Required
as
CONTROLLER
for a leading
multinational tech
firm**

**Location:
KARACHI/ LAHORE**

Our client, a leading global technology company headquartered in the USA, is looking for an enterprising and dynamic US CPA license holder to join them in their Karachi/Lahore Office as a **'Controller'** to oversee the global accounting operations.

As the Controller you would oversee the global accounting operations of the Company while reporting to the Chief Accounting Officer to ensure accurate financial information for internal and external stakeholders. You will ensure timely financial closes, review monthly financial statements, oversee the entire Pakistan accounting function and implement process improvements within the Company.

You should have.....

- At least BS/BA in Accounting/Finance
- Active US CPA license (or ability to switch to an active state in less than a year)
- 10+ years of accounting experience mainly with a Big 4 or a US based public company under US GAAP or a mix.
- Ability to manage multiple projects, collaborate with multiple stakeholders across the Company and operate with great attention to detail
- Excellent general accounting experience and knowledge with a deep understanding of requirements under US GAAP, SOX404, ASC 606, ASC 842 etc.
- Deep finance and technology acumen
- Experience with internally developed software capitalization, accounting for stock-based compensation, accounting for complex debt and equity arrangements and accounting for foreign exchange
- Ability to multi-task, work under pressure, meet deadlines and be able to thrive in a fast-paced work environment

What is in it for you?

Besides the challenge, visibility and fast paced growth, you will be rewarded with a highly competitive remuneration package.
